LOM

Decision No. 13548

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

ORIGINAL

In the Matter of the Application of MOTOR TRANSIT COMPANY for an order defining and validating certain priority automobile stage line operating rights owned and now being exercised by applicant for the carriage of passengers, baggage, and express matter over various fixed routes and highways and between certain definite terminal in Southern California (and freight over applicant's Mountain Division); for a certificate of public convenience and necessity authorizing applicant to continue to conduct said operations (both local and through) over such of its existing routes, if any, as to which the Commission may find applicant has no priority or certificate operating rights; and for a certificate of public convenience and necessity authorizing applicant to operate all of its existing stage line service as a unified system furnishing service from and to every point thereon, as well as for the inter-change of business between applicant's lines and the lines of other carriers with which applicant connects; to generally define, fix and determine applicant's operating rights; as well as for such other orders in the premises as the Commission shall deem proper.	Application No. 8454
In the Matter of the Application of PACKARD STAGE LINE for certificate of public convenience and necessity to extend present service to that of serving locally the territory between Los Angeles and Lancaster.	Application No. 8525

BY THE COMMISSION.

FIRST SUPPLEMENTAL ORDER

The Order in the above entitled proceedings as

contained in this Commission's Decision Number 13454, dated April 22, 1924 required Motor Transit Company, applicant in Application Number 8454 to accept the certificates of public convenience and necessity therein granted to said applicant within fifteen (15) days from the date of the order; to file with this Commission within thirty (30) days from the date of the Order revised tariffs and time schedules eliminating all rates for the transportation of passengers, freight, baggage, express, packages or parcels which are not consistant with the operative rights as set forth in the findings of the Commission.

Applicant, Motor Transit Company, by its attorney has made written request for an extension of time in which to prepare and file with this Commission, the acceptance, tariffs and time schedules, and rules and regulations governing same.

We are of the opinion that the request is a reasonable one and that it should be granted, and

IT IS HEREBY ORDERED that applicant, Motor Transit Company, be and it hereby is required to file not later than June 16, 1924 the acceptances, revised tariffs and time schedules and rules and regulations governing same as heretofore ordered by the provisions of Decision Number 13454 herein.

Dated at San Francisco, California, this 15th day of May, 1924.
