Decision No. 22195

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

-oOo-

ORIGINAL

In the Matter of the Application of AUTOMOBILE FERRY COMPANY OF CORONADO, a corporation, for certificate of public convenience and necessity to operate ferries for the transportation of vehicles, etc., for compensation, between Points upon the inland waters of the State of California, and for order authorizing issue of stock for construction, completion and maintenance of its service.	Application No. 15303

BY THE COMMISSION:

ORDER DENYING REHEARING

Petitions for rehearing of our Decision 22029 in the above entitled matter having been filed by San Diego and Coronado Ferry Company, J. D. and A. B. Spreckels Securities Company, J. D. and A. B. Spreckels Investment Company, and San Diego Electric Railway Company; the Commission having carefully considered the said petitions, and each and every of the allegations contained therein, and being of the opinion that no good cause for the granting of a rehearing has been made to appear,

IT IS HEREBY ORDERED that the several petitions for rehearing be and they are hereby denied.

Dated at San Francisco, California, this 12th day of March, 1930.
