BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

In Decision No. 34903 in the above-entitled application Northwestern Pacific Railroad Company was authorized to enter into an agreement with the Pacific Lumber Company, said agreement covering the use of certain of applicant's tracks in the vicinity of Carlotta by engines and trains of the lumber company. It is now desired to extend these operations to cover additional tracks and a supplemental application has been filed requesting the Commission's approval of supplemental agreements covering such operations.

It appears that the request of applicant should be granted, therefore;

IT IS HEREBY ORDERED that Northwestern Pacific Railroad Company is authorized to execute supplemental agreements with the Pacific Lumber Company dated July 31, 1944, and September 15, 1944, copies of which are attached to and made a part of the First Supplemental application filed on November 16, 1944. The authority herein granted is effective immediately.
