**Administrative Letter 27**

October 23, 2017

To: All Participating California Teleconnect Fund (CTF) Program Carriers

Re: California Teleconnect Fund Administrative Letter No. 27-
Changing the Application Numbers for Private Schools.

Due to enhancements to the CTF database, the application numbers of some Private Schools will be changed, effective December 1, 2017. The change will be in the application number only, the names and addresses will remain the same. All customer number updates for any claim (regardless of claim month) submitted on December 1 and beyond will reflect the revised customer's numbers in the corresponding Customer Reports. A list of affected Private Schools and their corresponding current and new application numbers are in Attachment A. Please check to see if any of your customers are on the list.

To avoid any delay in reimbursement of discounts to your company and ensure a seamless transition for your customers, if you have customers on this list, **please make the necessary changes to the Claims Reimbursement Customer report.**

For any questions contact:

Ed de Guzman at EGU@CPUC.CA.GOV or Andrew Aliabadi at AA5@CPUC.CA.GOV

Sincerely,

A handwritten signature in blue ink, appearing to read "Cynthia Walker".
