

# I. List of Preparers

## I.1 Introduction

Table I-1 provides a listing of those persons from the Lead Agencies, including both the CPUC and the USDA Forest Service, who were involved in the review of this EIR/EIS.

| <b>Table I-1. Lead Agency Project Team</b> |  |  |
|--|--|--|
| <b>Name</b>                                | <b>Agency</b>  | <b>Title</b>   |
| John Boccio                                | California Public Utilities Commission   | CEQA Project Manager                                   |
| Ken Lewis                                  | California Public Utilities Commission   | Program Manager  |
| Laurence Chaset                            | California Public Utilities Commission   | Legal Counsel  |
| Ourania Vlahos                             | California Public Utilities Commission   | Legal Counsel  |
| Jody Noiron                                | USDA Forest Service  | ANF Forest Supervisor                                  |
| Susan Swinson                              | USDA Forest Service  | ANF Deputy Forest Supervisor                           |
| Cid Morgan                                 | USDA Forest Service  | ANF Santa Clara-Mojave Rivers District Ranger          |
| Rich Borden                                | USDA Forest Service  | ANF Lands Forester (former)                            |
| Marian Kadota                              | USDA Forest Service, Adaptive Management Services Enterprise Team (AMSET) Forester | NEPA Project Manager                                   |
| Raina Fulton                               | USDA Forest Service  | ANF Lands and Recreation Staff Officer                 |
| Clem Lagrosa                               | USDA Forest Service  | ANF Resource Staff Officer                             |
| Sonja Bergdahl                             | USDA Forest Service  | ANF Engineer Staff Officer                             |
| Don Feser                                  | USDA Forest Service  | ANF Chief, Fire and Aviation                           |
| Mike McIntyre                              | USDA Forest Service  | ANF Archaeologist                                      |
| Doug Milburn                               | USDA Forest Service  | ANF Asst Forest Archaeologist                          |
| George Farra                               | USDA Forest Service  | ANF Asst Forest Engineer                               |
| Mike McCorison                             | USDA Forest Service  | Southern California Forests Air Resource Specialist    |
| Janet Nickerman                            | USDA Forest Service  | ANF Botanist   |
| Jose Henriquez-Santos                      | USDA Forest Service  | ANF Landscape Architect                                |
| Karen Lessard                              | USDA Forest Service  | ANF Forest Planner/NEPA Coordinator                    |
| Teresa Sue                                 | USDA Forest Service  | SCMRRD Wildlife Biologist                              |
| Dave Conklin                               | USDA Forest Service  | SCMRRD Acting Fire Management Officer (Division Chief) |
| George Geer                                | USDA Forest Service  | SCMRRD Lands Staff Assistant                           |
| Tom Kaucher                                | USDA Forest Service  | SCMRRD OHV Manager                                     |
| David Kerr                                 | USDA Forest Service  | AMSET Fire/Fuels Specialist                            |
| Sarah Birkeland                            | USDA Office of General Counsel   | Legal Counsel  |

In accordance with CEQA and NEPA (State CEQA Guidelines §15063(d)(6) and 40 CFR 1502.17, Forty Questions No. 27), Table I-2 provides a list of the persons that prepared, or participated in the preparation of, this EIR/EIS. Also included in Table I-2 are the qualifications (professional certifications, education, area of expertise, and years of experience) of the individual members of the EIR/EIS team.

**Antelope-Pardee 500-kV Transmission Project**  
**I. LIST OF PREPARERS**

| <b>Table I-2. EIR/EIS Preparers and Reviewers</b>     |   |  |
|---|---|--|
| <b>Consultants to the CPUC</b>                        |   |  |
| <b>Aspen Environmental Group (Primary Consultant)</b> |   |  |
| <b>Name</b>   | <b>Degree/Expertise</b>   | <b>Role</b>  |
| Hamid Rastegar, DEnv                                  | Doctorate of Environmental Science and Engineering; MS Environmental Science and Engineering; BS Civil Engineering (27 years) | Principal-in-Charge (Corporate Oversight and Management Support)   |
| Susan Lee   | MS Applied Earth Science; BA Geology (23 years)   | Project Director (Corporate Oversight and Management Support)  |
| Jon Davidson, AICP                                    | American Institute of Certified Planners; Master of Urban and Regional Planning; BA Urban Planning (24 years)                 | Project Manager  |
| Negar Vahidi  | Master of Public Administration; BA Political Science (14 years)  | Deputy Project Manager   |
| Sandra Alarcón-Lopez                                  | MA Architecture and Urban Planning; BA Speech and Hearing Sciences (23 years)   | Land Use and Public Recreation, Public Involvement   |
| George Hampton  | BA Geography; Expert in NEPA Compliance (31 years)  | Other Federal Requirements and CEQA Considerations   |
| Fritts Golden, AICP                                   | American Institute of Certified Planners; Master of Urban and Regional Planning; BA Biology (30 years)                        | Project Description Reviewer   |
| Lisa Blewitt  | BS Chemical Engineering (10 years)  | Project Description, Project Alternatives, Comparison of Alternatives, Alternatives Screening Report (Appendix 1), Noise, Public Participation and Notification, List of Preparers |
| Sue Walker  | MA Applied Geography; BA Physical Geography (15 years)  | Alternatives Screening Report (Appendix 1)   |
| Hedy Born   | MS Earth Systems; BS Earth Systems (3 years)  | Alternatives Screening Report (Appendix 1)   |
| Will Walters, PE                                      | PE Chemical Engineering; BS Chemical Engineering; AQ Specialist (20 years)  | Air Quality  |
| Chris Huntley   | MS Biology; BA Biology (17 years)   | Biological Resources Reviewer  |
| Jason Ricks   | MS Public Health (9 years)  | Traffic and Transportation   |
| Phil Lowe, PE   | PE Civil Engineering; MS Watershed Management; BS Wildlife Management (27 years)  | Hydrology and Water Quality  |
| Aubrey Mescher  | Master of Environmental Science and Management; B.A., Environmental Studies and Film Theory (1 year)                          | Project Description, Hydrology and Water Quality, Glossary and Acronyms  |
| Tatiana Inouye  | Master of Environmental Science and Management; BS Biology (3 years)  | Project Description, Land Use and Public Recreation  |
| Jacob Hawkins   | Master of Environmental Science and Management; BS Biology (4 years)  | Socioeconomics, Forest Management, Public Services, Utilities  |
| Scott Debauche  | BS Urban & Regional Planning (9 years)  | Socioeconomics, Forest Management, Public Services, Utilities  |
| Jason Ricks   | MS Environmental Public Health; BS Biology (9 years)  | Traffic and Transportation   |
| Judy Spicer   | BA English (40 years)   | Contracting; Document Production   |
| Craig Hattori   | BA Philosophy; Graphics (10 years)  | Computer Graphics; Technical Mapping   |
| Debra Matsumoto                                       | BA English (30 years)   | Technical Editing  |
| Kati Simpson  | BA Geography; Graphics (20 years)   | Computer Graphics  |
| <b>Arellano Associates</b>                            |   |  |
| Genoveva Arellano                                     | Master in Public Policy; BS Public Administration (19 years)  | Public Involvement   |
| Chester Britt   | BA Business Administration (18 years)   | Public Involvement   |
| Elsa Argomaniz  | AA Business Administration (10 years)   | Public Involvement   |

| <b>Table I-2. EIR/EIS Preparers and Reviewers</b>                  |  |                                  |
|--|--|----------------------------------|
| <b><i>ECORP Consulting</i></b>                                     |  |                                  |
| Don Mitchell   | MS Zoology; BS Biology (18 years)  | Biological Resources             |
| Christine Tischer  | BS Animal Science (9 years)  | Biological Resources             |
| Mari Schroeder   | MS Environmental Studies; BS Zoology (15 years)  | Biological Resources             |
| Roger Mason  | PhD Anthropology (Archaeology); BA Anthropology (22 years)   | Cultural Resources               |
| <b><i>Hunt &amp; Associates Biological Consulting Services</i></b> |  |                                  |
| Laurence Hunt  | PhD Candidate Evolutionary Ecology (Herpetology); MS Ecology and Systematics (Herpetology); BS Vertebrate Zoology (Herpetology) (16 years) | Biological Resources             |
| <b><i>Fox &amp; Sohagi LLP</i></b>                                 |  |                                  |
| Margaret Sohagi  | Juris Doctor; BA Geography/Ecosystems (18 years)   | CEQA/NEPA Legal Support          |
| Dawn McIntosh  | Juris Doctor; BS Marine Biology (14 years)   | CEQA/NEPA Legal Support          |
| <b><i>Geotechnical Consultants, Inc.</i></b>                       |  |                                  |
| Aurie Patterson  | MS Geology; BA Geology (12 years)  | Geology, Soils, and Paleontology |
| James Thurber  | Registered Geologist; MS Geology; BS Geology; BA Geography (22 years)  | Groundwater and Contamination    |
| <b><i>GeoGraphics, Inc.</i></b>                                    |  |                                  |
| Gerald Hughes  | BA Geography; Cartographic and GIS (25 years)  | Geographic Information Systems   |
| <b><i>Lee Roger Anderson</i></b>                                   |  |                                  |
| Lee Anderson   | Master of Landscape Architecture; BS Landscape Architecture (37 years)   | Visual Resources                 |
| Tim Zack   | Bachelor's Degree of Architecture (12 years)   | Visual Resources                 |
| <b><i>Michael Clayton &amp; Associates</i></b>                     |  |                                  |
| Michael Clayton  | MS Environmental Management; MA Asia Pacific Environmental Affairs; BA Biology (25 years)  | Visual Resources Advisor         |
| <b><i>R.W. Beck</i></b>  |  |                                  |
| Chuck Williams   | PE Civil Engineering; BS Civil Engineering (25 years)  | EMFs; Transmission Engineering   |
| Steve Rupp   | BS Electrical Engineering (20 years)   | EMFs; Transmission Engineering   |
| <b><i>Scheuerman Consulting</i></b>                                |  |                                  |
| Paul Scheuerman  | PE Electrical Engineering; BS Electrical Engineering (35 years)  | Transmission Planning            |
