Subject: Power Lines

To whom this concerns,

We as owner's of 4810 Fairway Oaks in Sun Lakes C.C. do not want the overhead power lines!!!!We sell Real Estate all over southern Calif. and know that people do not want overhead lines near them,that was the old convenient way to run power.In today's world you put the lines out of sight and that would be underground.

Thank You

- C39-1** Your opposition of overhead transmission lines has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative.
