Subject: SunLakes Electrical Lines

To whom this concerns:

Count me among the many SunLakes residents who DO NOT want the electrical lines visible. You need to place them UNDERGROUND!

- C45-1 Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative.
