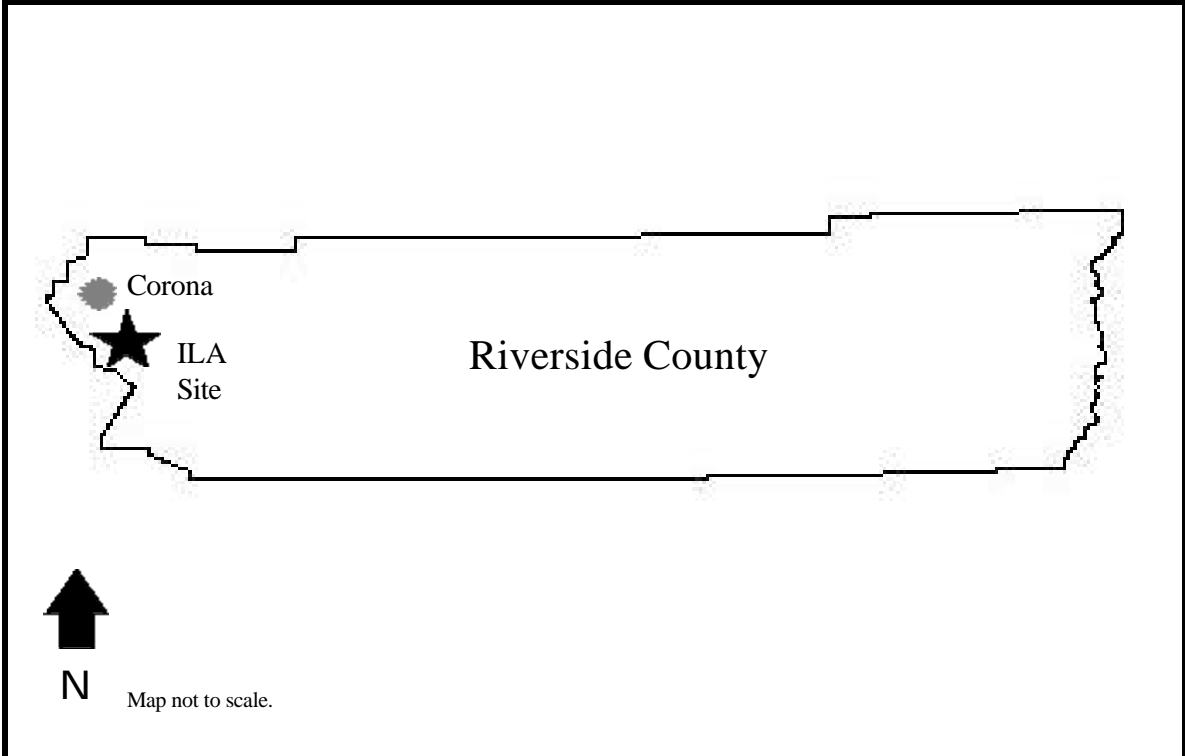

Figure 1. Corona ILA Regional Map.

**Photo A. Photo Taken from the Southwest Corner of Eastern Parcel Facing Northeast.** The concrete-lined drainage that separates the two parcels is visible to the left. Temescal Canyon Road is not visible from this angle but runs parallel with the power-lines.

**Photo B. Photo Taken from the Southwest Corner of the Eastern Parcel Facing East.** Lester Circle is visible to the right. The eastern edge of the parcel coincides with the small eucalyptus to the right of center.

**Photo C. Photo Taken from the South Corner of the Western Parcel.** The concrete-lined drainage that runs along the southern and eastern edges is visible to the left. Construction equipment indicates the property boundary between site and an adjacent industrial storage yard.

**Photo D. Photo Taken from the Midpoint Between the South and Southwest Corners of the Western Parcel.** Temescal Canyon Road, although not visible, runs parallel with the power-lines. Presley's Horsethief Ranch and associated residence can be seen in the distance.
