

APPENDIX B
LIST OF PREPARERS

LIST OF PREPARERS

SCE

Donald E. Johnson
Project Manager
BS – Electrical Engineering
University of Alabama

Lawrence Hurst
GIS Technical Specialist
M.A. Geography/GIS
California State University, Fullerton

Mark D. Williams
Planner 3

Thomas T. Taylor
Manager, Natural and Cultural Resources
BA and MA – Anthropology/Archaeology
California State University, Fullerton

Veronica Estrada
Environmental Specialist, Land Use
BA – Urban Studies & Sociology
Loyola Marymount University

Sam Sandoval
Project Manager
BS – Business Management
University of Phoenix

Jessica Homer
Engineer
BS – Civil Engineering
Loyola Marymount University

Glenn Larson
Project Manager – Corporate Real Estate
AA – Science
College of Sequoias

Jack Haggemiller
Lead Field Engineer
BS – Electrical Engineering – USC
MBA – Pepperdine

Jon Griffin
Planner 3
BS – Business Administration
University of Redlands

Steve Present
Distribution Engineer
Fullerton College – History

Habib Boruah
Consulting Engineer
BS – Electrical Engineering – Jadavpur University, India
MS – Electrical Engineering – Durham University – U.K.

Brenda Espino
Technical Specialist/Scientist
Civil Engineering
National University of Mexico

Tracey Alsobrook
Biologist/Project Coordinator
BA – Occidental College

Brent Miyazaki
Environmental Coordinator
BS – Geology, California State University, Northridge
MS – Geology, University of California, Davis

Erika Wilder
Environmental Coordinator
BS – Geology, University of Wisconsin, Oshkosh
MS – Civil Engineering, Arizona State University

Suzan Benz
Technical Specialist/Scientist
Business Administration
California State University – Long Beach

Michael Holguin
Engineer
MBA
University of Phoenix

Mary Deming
Manager
Ph.D.
University of Chicago

ENTRIX, Inc.

Dan Tormey
Entrix Project Manager
Massachusetts Institute of Technology, Cambridge: Ph.D., Geology and Geochemistry,
1989
Stanford University, Stanford, CA: B.S., Civil Engineering and Geology, 1983

Terri Wallace
Entrix Project Manager
University of California, Santa Barbara: B.A. Chemistry, 1985

Chelsea Ayala
Air Quality, Noise
California State University, Sacramento: B.A., Environmental Studies, Minor, Geology, 1992

Amanda Burgess
Agricultural Resources, Hazards and Hazardous Materials, Hydrology and Water Quality,
Land Use and Planning, Public Services and Utilities, Population and Housing
University of California, Santa Barbara: B.S., Zoology, 2004

Jamie Reinhart
Geology and Soils, Recreation, Transportation and Traffic
University of California, San Diego: B.A., Environmental Systems and Environmental Policy,
2005

Terra Hillyer
CEQA/NEPA
Santa Clara University, B.S., Chemistry 1995

Shruti Mukhtyar
GIS
University of Wisconsin-Madison: M.S., Remote Sensing & Geographic Information Science
& Technology, 2001
Indian Institute of Technology, Bombay: M.S., Applied Geology, 1996
University of Bombay, Bombay: B.S., Geology, 1994

Sandy LaRosa
Project Coordinator
Ventura College, A.S. Business Management, 2003
Ventura College, Certificate in Business Management, 1993

Pacific Legacy – Cultural Resources

Thomas L. Jackson, Ph.D., Principal Investigator
Stanford University

Mary O'Neill, B.A.
University of California at Santa Cruz

Kari Jones, M.A.
University of California at Berkeley

Katie Vallaire, B.A.
California State University, Chico.

Tom Packard & Associates

Tom Packard
Aesthetics/Visual Simulations
Bachelor of Landscape Architecture; University of Illinois; 1983

Vallier Design Associates

Matt Brockway
Visual Simulations
B.S.; Colorado State University; Landscape Architecture; 1986

Biologists

John C. Stebbins - Senior Biologist
MS Biology, CSU Fresno
BS Biology, CSU Fresno

Russell D. Kokx -Wildlife Biologist
BS Biology, CSU Fresno
