Subject: Opposed to powerlink

Sent: Tue Jan 29 19:42

Priority: Normal

My name is Paul Hoover and I am a resident of San Diego @ 8555 Rumex lane. I can be reached @ 858-484-4237. I am oppose d to the Sunrise Powerlink as a whole because I believe the alternative power sources should be explored, but if the Powerlink is necessary, I believe the coastal route is better because it uses powerlines and routes already in place.
