• Totally opposed to the Sunrise
Powerlink Project because of many reasons
Here are a few.

- We don't Need this ugly, expensive
and environmentally harming 150 mile
transmission line. ^{at a hearing in Borrego} ^{last year} ^{many adults} ^{and} ^{many wildlife} ^{species} ^{the} ^{idea of} ^{the} ^{project}
- Bad for people, animals and the land. May cause devastating fires starting in the back country

NO route!
• Instead of choosing one of the
alternative lines, please choose
to stop all progress for the proposal.

groups
SDG + E, Chamber of Commerce, ^{except} B.S. Chamber + ^{govt} officials
& business owners ~~the~~ seem to be
the only ones who want this.

I am a member of many of the non profit
who oppose

D0018

We need to invest in solar + renewable
energy in the future, not ~~in the past~~ in outdated
ways.
Please consider the
San Diego Smart solution
Energy 2020 + the
DEIR of Sunrise Project.

~~Request~~ Please ~~save~~ protect us from this
monster damaging project, which is not safe,
secure or necessary.
Thank you

Jennifer White
