

Michael Clayton & Associates

- A** The **existing view** to the north-northeast toward the route of the Top of the World Alternative transmission line, along the southern flank of the ridge north of the Scout Ranch. The landscape is predominantly natural in appearance.
- B** This image presents a **visual simulation** of the Top of the World Alternative transmission line as viewed from the flag pole and fire ring area near the entrance to the Scout Ranch. The transmission line would be visible along the ridge.
