- A** The **existing view** to the west across West Mesa from Key Viewpoint 3 on northbound SR 78/86, just southeast of the intersection with Old Kane Springs Road. The Vallecito and Pinyon Mountains are faintly visible on the horizon.
- B** This image presents a **visual simulation** of the Proposed Project converging on and then paralleling (to the west) SR 78/86 as viewed from northbound SR 78/86. The proposed structures would be prominently visible from SR 78/86.
