

Michael Clayton & Associates

The **existing view** to the southwest from Key Viewpoint 82 on westbound Old Highway 80, approximately 0.2 mile east of the intersection with Tule Jim Lane. This view encompasses the existing Boulevard Substation and several rural residences just south of Old Highway 80 in the community of Boulevard. The existing Boulevard Substation is a relatively small, though noticeable facility that is visible to the surrounding residences. Simple wood-pole utility lines connect to the substation and are also visible from Old Highway 80 and the surrounding residences.
