**LINK 3: Suncrest Substation**

No monitors required at this location for this week.

**LINK 4: Alpine Underground**

No cultural material observed this week.

**LINK 5: Various Locations**

No cultural material observed this week.

---

**IV. CONCERNS EXPRESSED**

**LINK 1: Jacumba Valley, McCain Valley, Boulevard, Plaster City, and Ocotillo Desert Region**

Mr. Salazar notes that due to the unique collection of artifacts located on his survey, that he would like to see good preservation/protection plans be implemented. Additionally, he is requesting that authorized Kumeyaay be given access to the area to monitor the site’s integrity.

Ms. Santos noted that she felt her monitoring efforts weren’t being utilized to their maximum potential and asked to be relocated to another site that was not digging in rock. She was obliged and relocated.

**LINK 2: Bartlett-Hauser Yard**

No concerns expressed this week.

**LINK 3: Suncrest Substation**

No concerns expressed this week.

**LINK 4: Alpine Underground**

No concerns expressed this week.

---

**LINK 5: Various Locations**

No concerns expressed this week.

---

**V. SUMMARY**

In general, few concerns were noted in regard to cultural resources.

---

**VI. SUMMARY PREPARER**
