Dear Ms. Banchard and Kastoll,

I am writing to let you know that I am in opposition to the proposed Sunrise Powerlink Modified Rout D Alternative in my community. For the past 18 years I have worked diligently as a Correctional Officer and was able to purchase a ranch in a country setting. This was not an easy task as I am a single parent. I revel in the beauty and peacefulness after an incredibly hectic day at work. All the officers at work enjoy visiting my home to relax and to get away from the noise. Huge noisy power lines running through my yard would negate everyone's opportunity, including mine

I work hard every day to protect your neighborhood, I am just asking for you to do the same for me.

Thank you,

Linda Jenkins
