Subject: Stop the Viejo System Project

Importance: High

To whom it may concern,

As residents we very much want the present and proposed power lines in Mission Viejo and San Juan Capistrano buried. Please take our views into consideration.

Sincerely,

Mark & Micheline Ghorso

- 44-1 Thank you for providing your opinion. Please see General Response GR-3 for information regarding the undergrounding of electrical transmission lines, as well as Appendix 8, which discusses various route options considered by the CPUC.
