**Subject:** COMMENT RE WEST OF DEVERS UPGRADE PROJECT

**I attended the Workshop held at the Holiday Inn Express on August 26, 2015 in Beaumont, CA. Following are my comments with regards to the project:**

**"As a resident of Solera Oak Valley Greens Association located in Segment 4, Beaumont and Banning, of the West of Devers Upgrade Project, I support the Tower Relocation Alternative that moves the new towers farther from residences such that the new towers will not be closer to residential areas than existing towers."**
