**Question PU-1:**

**Public Utilities and Service Systems**

**PU-1**       Based on the discussion in the February 19, 2014 at the CPUC, please provide the results of potholing and ground penetrating radar of existing underground utilities once work is completed.

**Response to Question PU-1:**

Shapefile information and a spreadsheet listing of the information is provided in the attached folder for all underground utility potholing investigations that have been completed to date. Though there is none currently scheduled, if or when any additional underground utility investigations are performed, SCE will provide copies of the results to CPUC/Aspen.
