

## J. REPORT PREPARATION

### J.1 List of Preparers

A team of more than 30 technical and administrative personnel led by Dudek prepared this document under the direction of the California Public Utilities Commission (CPUC) and U.S. Bureau of Land Management (BLM). Table J-1 presents the preparers and technical reviewers of this environmental impact report (EIR)/environmental impact statement (EIS) and their qualifications.

**Table J-1  
List of Preparers**
