

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

January 14, 2013

Mr. Don Houston
Project Manager II, Environmental Services
San Diego Gas and Electric
1010 Tavern Road
Alpine CA, 91901

**Subject: Minor Project Refinement Request (MPRR) #10 – Access Road and
Work Space Refinements at Steel Pole 63 & 64 – East County
Substation Project (Application No. 09.08.008)**

Dear Mr. Houston:

On December 19, 2013, San Diego Gas & Electric (SDG&E) submitted a Minor Project Refinement Request (MPRR) to the California Public Utilities Commission (CPUC) to modify the work space at steel poles 63 and 64. The CPUC voted on June 21, 2012 to approve the East County (ECO) Substation Project (Decision 12-06-039) and a Notice of Determination was submitted to the State Clearinghouse (SCH#2009121079). The Commission decision approving the Permit to Construct (PTC) authorizes Energy Division staff to approve requests by SDG&E for minor project refinements. The decision states that minor project refinements may be approved so long as such minor project refinements are located within the geographic boundary of the study area of the EIR/EIS and do not, without mitigation, result in a new significant impact or a substantial increase in the severity of a previously identified significant impact based on the criteria used in the environmental document; conflict with any mitigation measure or applicable law or policy; or trigger an additional permit requirement.

This letter documents the CPUC's thorough evaluation of all activities covered in MPRR #10 and that the changes requested in MPRR #10 are allowed pursuant to the Commission decision issuing the PTC. In accordance with the MMCRP, the MPRR was reviewed by CPUC to confirm that no new impacts or increase in impact severity would result from the requested activities.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Chiang". The signature is written in a cursive style and is positioned above a horizontal line.

Eric Chiang
CPUC Environmental Project Manager
