Subject: San Diego Gas & Electric Mira Sorrento Substation Project Application for a Permit to Construct (Application No. 11-10-015) – Data Request No. 3

Dear Ms. Wrazen:

The California Public Utilities Commission (CPUC) requests additional information in support of the Mira Sorrento Substation Project. Please provide information requested in Attachment A regarding the restored coastal sage scrub shown in the project Initial Study / Mitigated Negative Declaration, Figure 5.5-1. Please provide requested information no later than August 10, 2012.

If you have any questions regarding this letter or need additional information, please contact me at 415.703.2579 or michael.rosauer@cpuc.ca.gov.

Sincerely,

Michael Rosauer
Energy Division
California Public Utilities Commission

Biological Resources

1. The City of San Diego requested additional information regarding the area shown as “restored coastal sage scrub” on Initial Study / Mitigated Negative Declaration Figure 5.5-1 (SDG&E Proponents Environmental Assessment Figure 4.3-1). Please disclose the purpose, intent, goal, entity, and timeline of the onsite restoration of coastal sage scrub.
