RE: Draft EIR/EIS Comments for Tule Wind, ECO Substation, Energia Sierra Juarez.

Dear Sirs:

On behalf of the Kumeyaay Cultural Repatriation Committee (KCRC) I would like to take this opportunity to comment on the above projects.

It is the mission of the Kumeyaay Cultural Repatriation Committee to preserve and protect ancestral remains, sacred lands and sacred objects under the Native American Graves Protection and Repatriation Act (NAGPRA) for today and future generations and develop ways to achieve this goal.

As Spokesman and Most Likely Descendent (MLD) for the 12 Kumeyaay Bands (by resolution) in regards to repatriation of human remains and artifacts, I would like my office to be contacted and information be provided via email when human remains are discovered. Please provide information to KCRC Secretary Bernice Paipa at bpaipa@lptribe.net.

Sincerely,

Steve Banegas
Spokesman
