CASE NO: DOI-BLM-CA-D070-2008-0040-EIS

To the California Public Utilities Commission and the Bureau of
Land Management:

I support the
Tule Wind Power Project!
This is a great investment
for the future of our children.
Let them grow up in an
environment of clean air.
Please do not reduce this
project's potential. 2-7-11
Sincerely, Shannon Santos
