To the California Public Utilities Commission and the Bureau of  
Land Management:

I highly support the use of these lands in Melain Valley  
for maximum wind energy production. Wind  
is an abundant natural resource in our San Diego  
Back country, and it should be fully utilized.  
The majority of impacts from this project will be  
positive: increase CA & US energy independence;  
improve air quality; assist economy & jobs.

This truly is "the right project, in the right place"!
