

**SDG&E Response September 20, 2012 Supplemental Response
A. 10-06-007 South Bay Substation Relocation Project PTC
Energy Division Data Request 16 Dated September 4, 2012
SDGE-ED-016: Questions 3a**

Question 3:

In addition to providing the above requested information, please provide the following:

- (a) The SDG&E system peak demand for the last ten years. Include plots of the peak day for each year, including the several days before and after those peaks;

SDG&E's Supplemental Response to Question 3:

- (a) Ten year system peak demand data is provided as an Excel icon:

Copy of Data
Request 16_3a_r2.xls

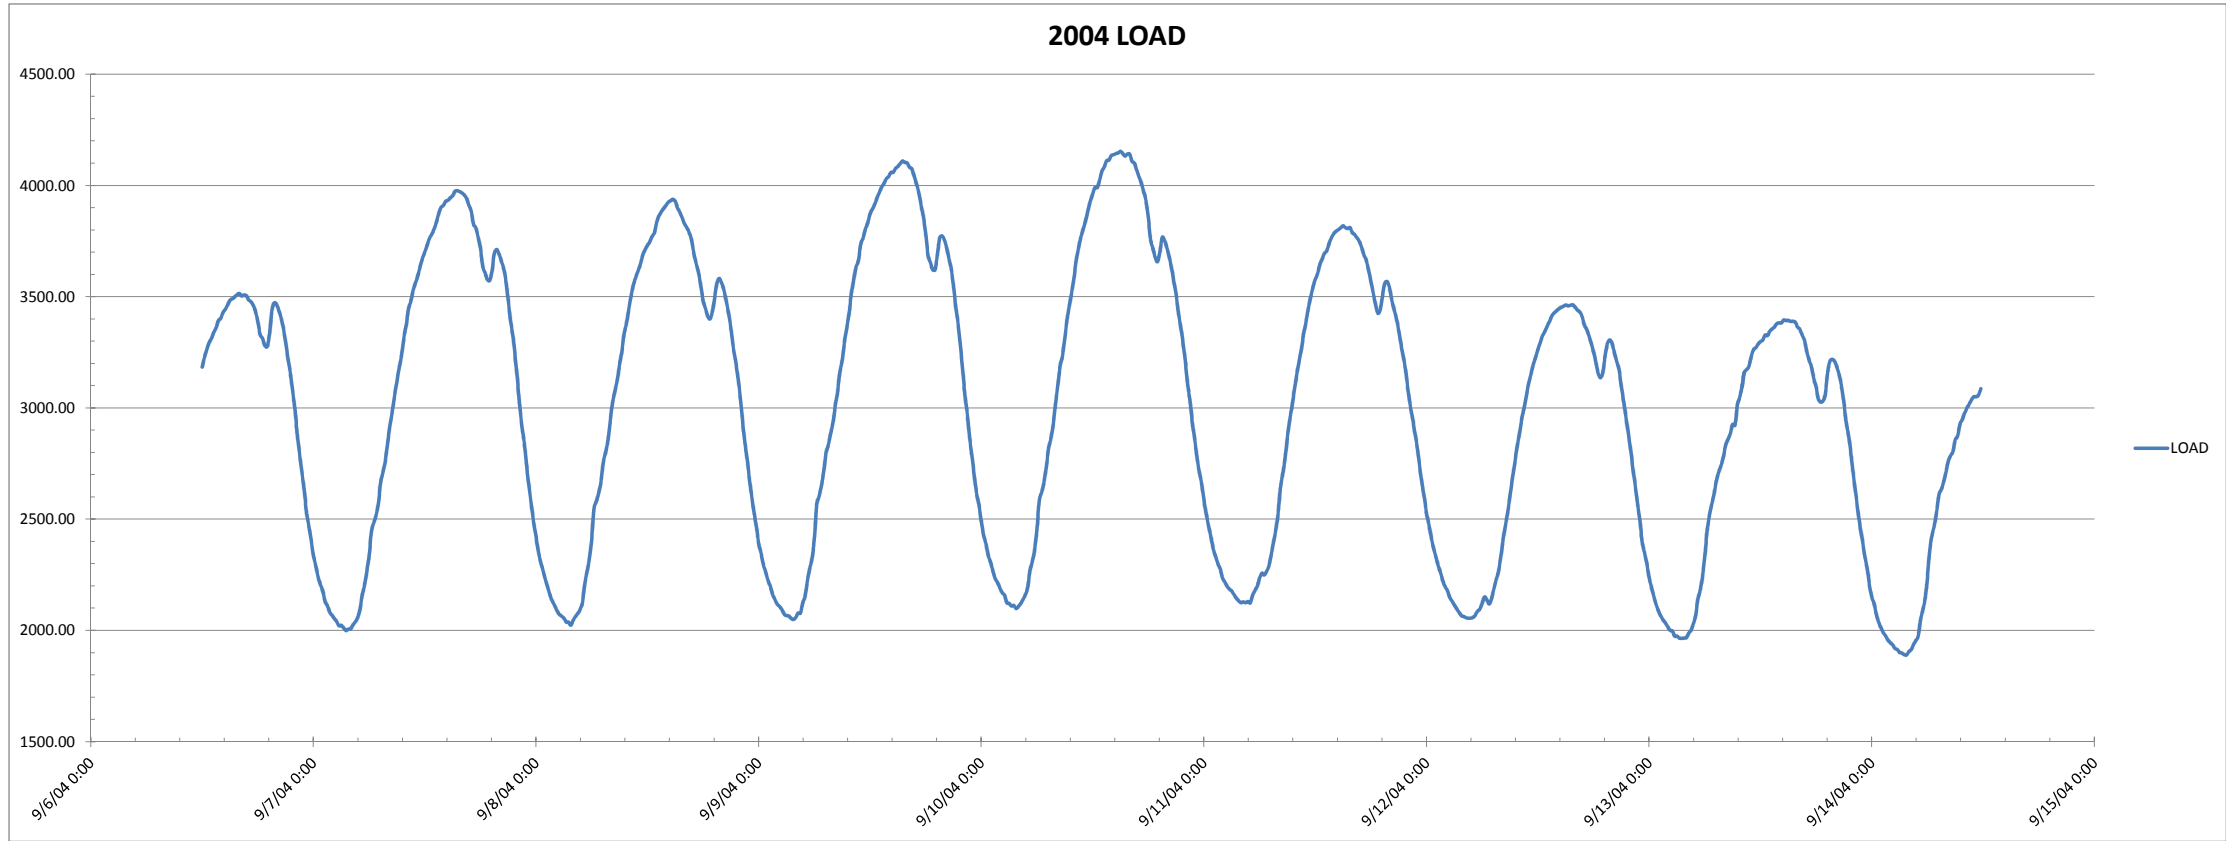

Embedded file is included below.

Note that the peak demand data for 2002-2007 will be provided separately (see attached)
