

California Public Utilities Commission

Draft EIR Public Meeting for the Mesa 500-kilovolt (kV) Substation Project
May 18, 2016

Thank you for participating in tonight's public scoping meeting. We would like to hear your comments.

Note: Before including your address, telephone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from individuals identifying themselves as representatives or officials of organizations or businesses will be made available for public inspection in their entirety.

Name (please print): Yvonne Watson

Affiliation (if applicable): Sierra Club

Address: 201 W. Madison Ave. Montebello, CA 90640

City, State, Zip: _____

COMMENTS

Under cumulative effects:

1. 2015 Montebello Hills/Lincoln Fire: Consider loss of habitat for the California gnatcatcher, on-going loss of habitat due to lingering drought, proven fire hazard along telecommunications Route 3 near Whittier Narrows Dam.
2. PEA Mesa^{500kV} Substation Project Volume 3 March 2015:
p. 4.18-31 This section mentions the "Montebello Hills Master Planned Community". This should be changed to "Montebello Hills Specific Plan" to reflect the actual project name used under CEQA.
3. PEA (same reference above) identified significant and unavoidable impacts to →

Fax: (415) 398-5326 Emails: Mesa.CPUC@ene.com

COMMENTS (Continued)

Air quality from the Monterey Park Market Place and the Montebello Hills Master Planned Community. These impacts were due to "potential overlap in construction activities." The conclusions reached in the applicant's PEA should be included in the conclusions by the CPUC's DEIR.

4. Please EXTEND the public Comment period for this project.
