To: CPUC Estrella Project - 102

Transcription of Message: Hello, my name is Joel mcquiston, and I'm calling about this trailer project in Paso Robles. My property has a power line in his backyard that according to your diagram will have a RI conducting segment added to it, and I wanted to find out. What that entails for my property? Save be wonderful. If somebody we're actually call me and tell me about that. I am I phone number is [REDACTED] And my property address is [REDACTED]  
[REDACTED] I hope to hear from someone and thank you very much.
