Confidential Response to Deficiency Report #1

Dear Ms. Orsaba:

Enclosed are PG&E's Confidential Response to Deficiency Report #1 and links to TRC's Sharefile site from which you can download confidential information submitted in response to Deficiency Report #1. We are submitting these materials pursuant to Public Utilities Code Section 583. As such, they must remain confidential unless you are notified otherwise by PG&E.

The materials that are being submitted include the following:

- PG&E's Confidential Response to Deficiency Report #1
- GIS Shape Files
- Biological resources technical reports and surveys, including draft wetlands delineation
- Cultural resources reports and DPR forms
- Paleontological resources report

Thank you for your assistance in retaining the confidentiality of these documents. Please let me know if you have any questions.

Very truly yours,

/s/
