Submitted by:	Organization and Title:	Duration and Work Hours:	
Jennifer Kaminsky	SDG&E Environmental Project Manager	The area will be used as a staging area for vault shoring equipment for three days.	
Location(s): (Describe applicable location(s), address, and/or dimensions)			
The Temporary Extra Work Space (TEWS) is public ROW within the County of San Diego and is located just south of Pomerado Road and station 440+00 (Figure 1). The TEWS is approximately 72 square feet of compacted dirt and measures approximately 40 feet (ft.) long and 4 ft. wide. No site preparation is required.			
Proposed Use of Site			
This TEWS is needed for vault shoring at station 438+50 and would extend beyond the approved temporary work area boundary along Pomerado Road. No ground disturbing work is required within the proposed TEWS and the use of the TEWS does not result in new impacts and/or increase the severity of a previously identified impact as identified in the FEIR.			
Current and Adjacent Land Uses:			
The TEWS is located within a County of San Diego right-of-way and consists of disturbed ornamental\developed area which is primarily compacted dirt. Adjacent land uses include Pomerado Road and multi-unit family housing to the north, eucalyptus woodland to the south, and disturbed ornamental\developed area to the east and west.			
Expected Condition of the Site After Use			
The TEWS will be returned to pre-use conditions following removal of the vault shoring.			

Complete the Checklist below. Note: "No" answers to numbers 1 and 2, and/or "Yes" answers to numbers 3 and 4 are cause for denial.
