

TEMPORARY EXTRA WORKSPACE (TEWS) REQUEST

Project Name		TEWS Request #	
Sycamore to Penasquitos 230 kV Transmission Line Project (Project)		3	
Date Submitted:	Requested Approval Date:	Start Date:	Expected End Date:
9/2/2017	asap	9/2/2017	11/2/2017
Submitted by:	Organization and Title:	Duration and Work Hours:	
Jennifer Kaminsky	SDG&E Environmental Project Manager	The area will be used as guard structure and will be established for up to 60 days.	
Location(s): (Describe applicable location(s), address, and/or dimensions)			
The proposed location is south of GS 06. GS 06 would be moved from the current location in a landscaped slope to the parking lot to the south. The parking lot is located south east of the intersection of Lusk Blvd, and Wateridge Circle. Pole location E45 is located in the same lot. The guard structure would consist of 2 concrete bases that area approximately 4 feet in diameter, and will be placed on the asphalt. Wooded poles would be placed in the bases and a horizontal pole placed between the vertical poles. The area used would be approximately 15 by 45 feet.			
Proposed Use of Site			
Wilson plans to utilize the proposed areas as follows: <ul style="list-style-type: none"> Relocating GS 06 to the parking lot. The guard structure would consist of 2 concrete bases that area approximately 4 feet in diameter placed on the asphalt. Wood poles would be placed in the bases and a horizontal pole placed between the vertical poles. The area used would be approximately 15 by 45 feet. Contractors will complete the proposed work using the following equipment: <ul style="list-style-type: none"> Cranes and work trucks. 			
Current and Adjacent Land Uses:			
The TEWS is located within a commercial parking lot south of Lusk Blvd.			
Expected Condition of the Site After Use			
The concrete bases will be placed on asphalt, the bases are anticipated to leave no trace when removed. The TEWS will be returned to pre-use conditions at the end of the 60 day period.			

Complete the Checklist below. Note: "No" answers to numbers 1 and 2, and/or "Yes" answers to numbers 3 and 4 are cause for denial.

Checklist	Yes	No
1. Does SDG&E have permission of the applicable land owner?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Is the TEWS located in a previously disturbed area?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Are there sensitive resources or land uses onsite, or within proximity of the proposed work space that would be impacted by the work?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4. Will use of the TEWS result in any significant environmental impacts?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

TEMPORARY EXTRA WORKSPACE (TEWS) REQUEST

Standard Conditions of Approval

- The CPUC, via its designated Monitoring Supervisor, will review and approve/deny the TEWS request within four business days of receiving this completed form.
- Use of TEWS is limited to 60 days.
- Use of TEWS shall be in compliance with local ordinances (including traffic/noise) and mitigation measures.
- If any signs of cultural resources are identified, work shall cease immediately and the site shall be reevaluated.
- The proposed site shall not be used for storage of fuel or hazardous materials.
- All drips, leaks, and/or spills from vehicles and/or equipment shall be cleaned-up immediately and disposed of in appropriate, labeled containers.
- Adjacent streets shall be swept or cleaned with water at the end of each workday if visible soil material is carried on them.
- No parking or storage of vehicles (including personnel vehicles), equipment, pipe, or any other project-related item shall be allowed on adjacent roadways.
- If a complaint is received, it shall be forwarded to the SDG&E Compliance Manager, and the CPUC for review.

The following signatures indicate that the proposed site is approved for TEWS. On a random basis, a CPUC Environmental Monitor will verify that use of the proposed site is in accordance with the conditions noted. This approval may be revoked at any time by any one of the approval team. Failure to comply with all conditions will result in immediate revocation of this TEWS approval.
