
Sycamore to Peñasquitos 230 kV Transmission Line Project

Q19 - Alternate Cable Pole Map

Structures

- Proposed 230 kV Cable Pole
- Proposed 230 kV Standard Pole
- Existing 230 kV Standard Pole
- Proposed 138 kV H-Frame
- Proposed 69 kV Cable Pole
- Proposed 69 kV Standard Pole
- Structures to be Removed

Transmission Lines

- Existing 138 kV
- Reconductor 138 kV
- Reconductor 138 kV Underground
- New 230 kV
- Existing 230 kV
- Reconductor 230 kV
- Existing 69 kV
- Reconductor 69 kV

Project Features

- Permanent
- Stringing Site
- Temporary Work Area
- Access Roads

TRC
