BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Investigation on the Commission's Own Motion into the Operations and Practices of Pacific Gas and Electric Company with Respect to Facilities Records for its Natural Gas Transmission System Pipelines.

I.11-02-016 (Filed February 24, 2011)

SUPPLEMENTAL DOCUMENTS IN SUPPORT OF PG&E'S RESPONSE

PG&E serves the following additional materials which will be introduced by the appropriate witnesses at the upcoming hearings:

- 1. Statement of Qualifications of Kris Keas. Ms. Keas is replacing Sara Peralta as the witness sponsoring the testimony in Chapter 3E, "Integrity Management and Records," of PG&E's June 26, 2012 Response. (Attachment A)
- 2. CPSD's Response to PG&E's Data Request No. 4, Q37, previously identified as Exhibit 3-22 in PG&E's June 26, 2012 Response. PG&E inadvertently failed to include this exhibit with the Response, and incorrectly refers to it as "PG&E's Response to Records OII Data Request 4-Q37" on page 3-57 of the Response. (Attachment B)
- 3. The Federal Power Commission's (FPC) "Regulations to Govern the Preservation of Records of Natural Gas Companies," effective December 12, 1962. This document is Exhibit 2-41 and supports the testimony in Chapter 2A sponsored by Steven Phillips. (Attachment C)
- 4. The FPC's "Regulations to Govern the Preservation of Records of Public Utilities and Licensees and Natural Gas Companies," effective January 1, 1972. This document is Exhibit 2-42 and supports the testimony in Chapter 2A sponsored by Steven Phillips. (Attachment D)

An updated Exhibit List for Chapter 2 is included in this service as Attachment E.

Respectfully submitted,

/s/ Lise H. Jordan
