

McS

Decision No. 12574

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

-000-

ORIGINAL

In the Matter of the Application of
MRS. C. W. MINGUS for certificate of
public convenience and necessity to
operate freight truck milk route ser-
vice between intersection of Michigan
Avenue and Center Street (near town
of Clearwater and Fredericks Ranch
at intersection of Michigan Avenue
and Artesia Street.

)
:
) Application No. 7502
:
)

BY THE COMMISSION,

ORDER DENYING REHEARING

Joe Bozoff and Acop Tarvoff, co-partners, having
filed a petition for rehearing in the above entitled application
and it appearing that the sole property involved in the trans-
portation service authorized to be engaged in by applicant under
Decision No. 10119, dated February 24, 1922, is for the trans-
portation of milk directly from dairies to creameries over a
specifically defined route in said application; and that such
class of transportation service is not subject to the provisions
of regulation under the amendment known as the Crittenden Bill,
Chapter 310, Statutes of 1923, effective August 17, 1923,

Now therefore, good cause appearing,

IT IS HEREBY ORDERED that the petition for rehearing be,
and the same hereby is denied.

Dated at San Francisco, California, this 14th day of
September, 1923.
