BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

Pacific Electric Railway Company, a corporation, has filed herein its supplemental application requesting an order of the Railroad Commission granting authority for the continued maintenance and use of Wharf No. 3 at Redondo to and including February 19, 1924, and for the removal of said wharf within sixty (60) days thereafter unless consignees receiving commodities from vessels over said wharf secure the consent of the City of Redondo Beach for applicant to continue the maintenance and use of said wharf, in which event applicant proposes to file herein a further supplemental application for its continued maintenance and use.

By its Decision No. 12463 dated August 7, 1923, the Commission authorized the discontinuance by applicant of the maintenance and operation of Wharf No. 3 at Redondo Beach, such authorization to be without prejudice to the filing of a supplemental application for authority to exercise the authority granted by the Board of Trustees of the City of Redondo Beach for any extension of the wharf franchise. The Board of Trustees

ORIGINAL

of the City of Redondo Beach, by its Ordinance No. 624, passed and adopted by said Board of Trustees on August 18, 1923, as evidenced by a certified copy of said ordinance as filed with the supplemental application herein, has granted an extension or renewal of the franchise originally granted by Ordinance No. 140 of the City of Redondo Beach, such extension authorizing a renewal or extension for a period of six months from and after August 19, 1923, and specifying that on or before the 19th day of February, 1924, applicant, Pacific Electric Railway Company, shall discontinue handling commerce over said wharf and will within sixty days from February 19, 1924, abandon, wreck and remove said wharf and the materials constituting same from below the high tide line of the Pacific Ocean.

We are of the opinion that the supplemental application herein is not a matter in which a public hearing is necessary and that same should be granted.

IT IS HEREBY ORDERED that this application be, and the same hereby is granted; provided, however, that this order shall be without prejudice to the filing of a supplemental application by the applicant herein for the approval by this Commission of any further extension of the said wharf franchise which may hereafter be granted by the Board of Trustees of the City of Redondo Beach.
