BY THE COMMISSION:

**O P D E R**

Northwestern Pacific Railroad Company, a corporation, having on September 28th 1923, filed with the Commission an application for permission to construct a spur track at grade across Third Street in the City of Santa Rosa, County of Sonoma, State of California as hereinafter indicated, in connection with the rearrangement of the entire track layout in Santa Rosa yard, and it appearing to the Commission that this is not a case in which a public hearing is necessary; that the necessary franchise or permit has been granted by City Council of said City of Santa Rosa for the construction of said crossings at grade, and it further appearing that it is not reasonable nor practicable to avoid grade crossings with said Third Street, and that this application should be granted subject to the conditions hereinafter specified.

IT IS HEREBY ORDERED, that permission be and it is hereby granted Northwestern Pacific Railroad Company to construct a spur track and relocate its main line and one side track at grade across Third Street in the City of Santa Rosa, County of Sonoma, State of California, as shown by the map attached to the application; said crossings to be constructed subject to the following conditions, viz:-

gether with the cost of their maintenance thenceforth in good and first-class condition for the safe and convenient use of the public, shall be borne by applicant.

(2) Said crossings shall be constructed of a width and type of construction to conform to those portions of said Third Street now graded, with the top of rails flush with the pavement, and with grades of approach not exceeding two (2) per cent; shall be protected by suitable crossing signs, and shall in every way be made safe for the passage thereover of vehicles and other road traffic.

(3) A human flagman shall be maintained for the protection of said crossings between the hours of 6 a.m. and 12:00 midnight. The cost of maintaining said human flagman shall be borne by the North-western Pacific Railroad Company.

(4) Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossings.

(5) The authorization herein granted for the installation of said crossings will lapse and become void one year from the date of this order unless further time is granted by subsequent order.

(6) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossings as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

This order shall become effective three (3) days after the making thereof.

Dated at San Francisco, California, this 21<sup>st</sup> day of November, 1923.
