In the Matter of the Application of
 PICKWICK STAGES, INC., a corporation,
 and FRED A. SUTHERLAND, doing business
 under the fictitious name and style
 of "Sutherland's Tia Juana Stages"
 for the establishment of joint rates
 and through service between the lines
 of the applicants for the transporta-
 tion of passengers.

Application No. 8901

BY THE COMMISSION,

ORDER

Pickwick Stages, Inc., a corporation, and Fred A. Sutherland, doing business under the name and style of Sutherland's Tia Juana Stages, have filed a joint application with the Railroad Commission in which they petition for an order authorizing the establishment of a through rate and joint service between Los Angeles and Santa Ana on the one hand and San Diego on the other served by the Pickwick Stages, Inc., and San Diego and Tia Juana served by Sutherland's Tia Juana Stages. The one way and round trip rates proposed are slightly lower than the present locals of the two applicants and will afford patrons the privilege of purchasing at one time a single ticket covering their entire journey.

Applicants further ask for an order authorizing them to establish other through rates as may be hereinafter agreed upon by mutual consent between the applicants. Inasmuch as such rates are not set forth in the application it cannot be authorized under such conditions. That portion of the application must be

denied.

We are of the opinion that this is a matter in which a public hearing is not necessary and that the application should be granted.

IT IS HEREBY ORDERED that applicants be and they are hereby authorized to establish joint through rates between Los Angeles, San Diego and Tia Juana and Santa Ana, San Diego and Tia Juana as set forth in the application herein, such joint rates to be filed within a period of not to exceed five (5) days from date hereof, effective five (5) days from date of filing.
