BY THE COMMISSION.

SECOND SUPPLEMENTAL ORDER

PACIFIC ELECTRIC RAILWAY COMPANY, a corporation, by its second supplemental application herein has petitioned the Railroad Commission for authority to maintain and use for commercial purposes its so-called Wharf No. 3 at Redondo Beach, California, to and including February 19, 1926.

By its Decision Number 12463 dated August 7, 1923, the Commission authorized the discontinuance by applicant of the maintenance and operation of Wharf No. 3 at Redondo Beach, such authorization to be without prejudice to the filing of a supplemental application for authority to exercise the authority granted by the Board of Trustees of the City of Redondo Beach for any extension of the wharf franchise. Under date of September 27, 1923 by Decision No. 12,661 the Railroad Commission issued its first supplemental order herein granting to applicant authority to continue the maintenance and operation of the said Wharf No. 3 to and including February 19, 1924, in accordance with the

extension or renewal of the wharf franchise as granted by the Board of Trustees of the city of Redondo Beach by their Ordinance No. 624, passed and adopted on August 18, 1923. The supplemental order herein referred to was granted without prejudice to the filing of a supplemental application for the approval by this Commission of any further extension of the wharf franchise which might be granted by the Board of Trustees of the City of Redondo Beach.

It appears from the second supplemental application filed herein that the electors of the City of Redondo Beach by a majority vote at an election held on December 20, 1923 duly adopted Ordinance No. 626 of the City of Redondo Beach, such Ordinance granting to applicant, Pacific Electric Railway Company, the right to maintain and operate the so-called Wharf No. 3 for a period of two years from and after February 19, 1924, as evidenced by certified copy of the ordinance and certificate of the result of the initiative election held at Redondo Beach on December 20, 1923 as filed with the application herein.

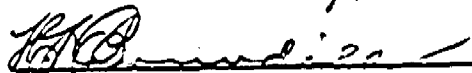

We are of the opinion that the supplemental application herein is not a matter in which a public hearing is necessary and that same should be granted.

IT IS HEREBY ORDERED that this supplemental application be and the same hereby is granted.

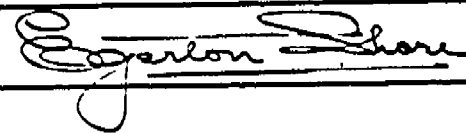

Dated at San Francisco, California, this 7<sup>th</sup> day of May, 1924.
