

Decision No. 13582

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of Rio Vista Telephone and Tele-
graph Company, for permission to
install public service telephone
booths and to charge for the use
of same for long distance and local
telephone calls.

Application No. 10,018

ORIGINAL

BY THE COMMISSION:

O R D E R

WHEREAS, Rio Vista Telephone and Telegraph Company
having made application to this Commission on April 26, 1924,
and having amended said application on May 16, 1924, requesting
this Commission for authority to establish throughout the terri-
tory served by it, public telephone stations as may be necessary
or convenient, and to charge the sum of five cents (5¢) for each
local call made from such public telephone stations, and

WHEREAS, the rendering of this service will be in the
interest of the subscribers of the Rio Vista Telephone and Tele-
graph Company, and to the public, and it appearing that appli-
cant's request is reasonable, and that this is a matter in which
a public hearing is not necessary,

IT IS HEREBY ORDERED that Rio Vista Telephone and Tele-
graph Company be, and it is, hereby authorized to establish through-

out the territory served by it, public telephone stations as may be necessary to render adequate service to the public, and to charge the sum of five cents (5¢) for each local call made from such public telephone stations on and after June 15, 1924; providing, said rate for said service is filed with the Railroad Commission on or before June 1, 1924.

Dated at San Francisco, California, this 21st
day of May, 1924.
