Decision No. 13587

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of CHARLES F. TAMMANY for certificate of public convenience and necessity to operate passenger service between Redwood City and Redwood City Harbor.

Application No. 9983

?IIGIINA.

BY THE COMMISSION.

ORDER OF DISMISSAL

CHARLES F. TARMANY, applicant in the above entitled proceeding asks for a certificate to operate an auto passenger stage service between Redwood City and Redwood City Harbor. Redwood City Harbor Company has advised the Commission that the road over which the applicant proposes to operate is a privately owned road, over which this Commission has no jurisdiction, a statement not disputed by said applicant within the time given him to appear before the Commission following verbal discussion of the Harbor Company's request that his application be denied, and

Therefore, Good Cause Appearing,

IT IS HEREBY ORDERED that said application be and the same hereby is dismissed.

Dated at San Francisco, California, this 2/00 day

May , 1924.
