

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of the San Diego Electric Railway Company, a corporation, for an Order authorizing and directing the separation of grade and the construction, maintenance and operation of an overhead crossing, of the street railway line of applicant at its intersection with Turquoise Street, in the City of San Diego, California.

Application No. 10017

BY THE COMMISSION:

ORIGINAL

O R D E R

San Diego Electric Railway Company, a corporation, filed the above entitled application with this Commission on the 26th day of April, 1924, asking for authority to construct an overgrade crossing at Turquoise Street in the City of San Diego, County of San Diego, State of California, as hereinafter set forth. The necessary franchise (Ordinance No. 9210) has been granted by the City Council of said City for the construction of said overhead crossing, and it appears to this Commission that the present proceeding is not one in which a public hearing is necessary, and that this application should be granted subject to the conditions hereinafter specified.

THEREFORE, IT IS HEREBY ORDERED, that permission and authority be and it is hereby granted to San Diego Electric Railway Company to construct an overgrade crossing at Turquoise Street, in the City of San Diego, County of San Diego, State of California, as shown by the map attached to the application; said overgrade crossing to be constructed subject to the following conditions, viz:-

- (1) The entire expense of constructing the crossing together with the cost of its maintenance thereafter in good and first-

class condition for the safe and convenient use of the public, shall be borne by applicant.

(2) Said crossing shall be constructed at the location in the City of San Diego as shown on map attached to the application, and constructed according to plans which shall have been approved by this Commission.

(3) Said crossing shall be constructed with clearances to conform with this Commission's General Order No. 26.

(4) Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossing.

(5) If said crossing shall not have been installed within one year from the date of this order, the authorization herein granted shall then lapse and become void, unless further time is granted by subsequent order.

(6) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

This order shall become effective ten (10) days after the making thereof.

May
Dated at San Francisco, California, this 28th day of May, 1924.
