BY THE COMMISSION,

ORDER

Pacific Electric Railway Company, a corporation,  
 has petitioned the Railroad Commission for an order authorizing

 Eulalia Boulevard near Fairfax Avenue on its Sawtelle Line,  
 the location of said track being more fully shown on a blue-

 part of the application herein.

Applicant alleges that the district in which the track

 known as Carthay Center which is being rapidly developed as  
 a high class residence locality; that the owners of property in  
 such locality desire the removal of the spur track to enable

 Boulevard; and that the public convenience and necessity do  
 not require the present or future maintenance and operation  
 of an industrial spur track at this location.

We are of the opinion that this is a matter in a public hearing is not necessary and that the application should be granted.
