ORIGINAL

Application No. 10259.

BY THE COMMISSION:

O R D E R

Spring Valley Water Company, a public utility corporation rendering service to consumers located in the City and County of San Francisco and the County of San Mateo, having made application to this Commission for an order authorizing the granting to the State of California, without charge therefor, of rights of way over certain of its lands to be used for the construction of a state highway known as the Skyline Boulevard; and it appearing that the conveyance of these rights of way will not interfere in any way with the operation of applicant's water system, and that this is a matter in which a public hearing is not required and that the application should be granted,

IT IS HEREBY ORDERED that Spring Valley Water Company, a corporation, be and the same is hereby authorized to grant to the State of California rights of way over certain of its lands located in the City and County of San Francisco and the County of San Mateo and more particularly described in the application herein, upon the following condition:

1.

The authority herein granted shall apply only to such conveyance as shall have been made on or before December 31, 1924, and certified copies of the instruments of conveyance shall be filed with this Commission by Spring Valley Water Company on or before January 31, 1925.

The effective date of this order is hereby fixed as December 31, 1924.

Dated at San Francisco, California, this 9^{3rd} day of July, 1924.
