ORIGINAL

Application No. 7556

BY THE COMMISSION:

O R D E R

Pacific Gas and Electric Company and Western States Gas and Electric Company having on February 11, 1922, applied to the Railroad Commission for authority to sell and exchange certain electric distribution lines and other property, and such authority having been given by the Railroad Commission by Decision No. 11451, dated December 29, 1922 (22 CRC 736), and said companies now applying to the Railroad Commission for authority to transfer certain additional equipment substantially involved in such previously authorized exchange but not at that time transferred, and the Railroad Commission being of the opinion that the authority now requested should be granted,

And other good cause appearing,

IT IS HEREBY ORDERED:

(1) That Pacific Gas and Electric Company be and it is

authorized to sell, and Western States Gas and Electric Company to purchase and acquire, the property referred to in this application and more particularly described in the form of an indenture attached to the application and marked "Exhibit A" thereof;

(2) That Pacific Gas and Electric Company be and it is authorized to execute and deliver to Western States Gas and Electric Company a deed substantially in the form of the deed attached to the application herein and marked "Exhibit A";

(3) That the price at which said property is herein authorized to be transferred is for the purposes of this transfer only and shall not be urged before this Commission or any other public body as a finding of the value of such property;

(4) That the authority herein granted shall apply only to such transfer as may be made on or before December 31, 1924.

DATED at San Francisco, California, this 29<sup>th</sup> day of October, 1924.
