Case No. 1943.

Kemp, Mitchell, Silberberg & Davis, by John W. Kemp,
for Complainants.

Maurice C. Sparling, for R. W. Sparling and Suburban
Mutual Water Company, Defendants.

BY THE COMMISSION:

O P I N I O N

The complaint in this proceeding alleges that the de-
fendants are operating a water system in a "mysterious manner"
so as to infringe upon the rights of the complainant, and prays
for an order of this Commission restraining such infringement.

Public hearings were held upon the matter in Los Ange-
les on January 11, and February 7, 1924, at which time oral and
documentary evidence was offered by both complainant and defend-
ants. After a careful examination of the record the Commission
is unable to find any evidence in support of the complainant's
allegation that its rights are being infringed. The proceed-
ing, therefore, should be dismissed.

ORDER

Complaint having been made as above entitled, public hearings having been held thereon, the matter having been submitted and the Commission being now fully informed in the premises,--

IT IS HEREBY ORDERED that the above-entitled proceeding be, and the same is hereby dismissed.
