Application No. 9614.

BY THE COMMISSION:

ORDER REVOKING PORTION OF PRIOR ORDER.

Southern Pacific Company, applicant herein, has advised the Commission that it does not intend to construct the crossings in a portion of Fifth Street and Seaton Street, heretofore authorized in this proceeding by Decision No. 12939, dated December 20, 1923, on Track No. 2, described as follows:

Beginning at the initial point of Track No. 2 as described in Track No. 1; thence easterly along a curve concave to the right having a radius of 252.35 feet, and whose radial line makes an angle of 90° with the southerly line of Fifth Street, a distance of 31.58 feet to a point; thence southeasterly along a straight line tangent to last described course a distance of 30 feet, more or less to a point, thence continuing southeasterly along a curve concave to the right having a radius of 239.17 feet, to which last described course is tangent a distance of 38 feet, more or less; thence continuing southeasterly along a straight line tangent to last described course a distance of 78 feet, more or less to a point; thence continuing southeasterly along a curve concave to the left, having a radius of 239.17 feet, to which last described course is tangent, a distance of 12 feet, more or less to a point in the south line of Fifth Street, which point is distant 19 feet more or less measured easterly along said line from its intersection with the easterly line of Seaton Street.

It appears that said decision, in so far as it refers to Track No. 2 should, therefore, be revoked.

IT IS HEREBY ORDERED that that portion of Decision No. 12959, in so far as it refers to a crossing over a portion of Fifth and Seaton Streets on Track No. 2, be and it is hereby revoked.

IT IS HEREBY FURTHER ORDERED that in all other respects this Commission's Decision in this matter shall remain in full force and effect.

Dated at San Francisco, California, this 30th day of December, 1924.
