BY THE COMMISSION:

SUPPLEMENTAL ORDER

In Decision No. 14224 on Application No. 10562,  
dated October 29, 1924, a certificate of convenience and  
necessity was issued to Jas. McIver, Jr., the certificate  
authorizing service for the transportation of passengers,

declared in the Commission's order that the operation of

on May 15th of the following year. To remedy the defect  
in the order in Decision No. 14224 the following provision  
should be added:

Operation of the transportation service  
herein authorized shall be limited to a period  
beginning October 15th of each year and ending  
May 15th of the following year.
