

Decision No. 14574

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation by the Commission on its own motion into the compliance with the requirements of Chapter 499, Statutes of 1911 as amended by Chapter 600, Statutes of 1915, by all electric, telephone, telegraph and railroad utilities and all other persons, firms, corporations and municipalities, subject thereto, operating power and/or signal lines in the State of California.

Case 1698

BY THE COMMISSION:

ONE HUNDRED AND THIRTIETH SUPPLEMENTAL ORDER

CALIFORNIA TELEPHONE AND LIGHT COMPANY

It having been shown that single wire circuits in various locations, concerned in the Sixty-sixth Supplemental Order of November 26, 1923, in the above entitled proceeding are unsatisfactory and require that additional wires be installed and that other reconstruction work in addition to that specified in said Order be done and that in several instances such work would necessitate the entire replacing of the lines involved in order to accommodate additional wires and to insure a more adequate service,

IT IS HEREBY ORDERED that the Sixty-sixth Supplemental Order of November 26, 1923, in the above entitled proceeding be

and the same is hereby amended to read as follows:

"IT IS HEREBY ORDERED, that the time during which California Telephone & Light Company may reconstruct its overhead electric lines to conform to the provisions of Chapter 499, Statutes of 1911 as amended by Chapter 600, Statutes of 1915, be and the same is hereby extended to December 31, 1925. provided that as to certain infractions listed as "technical, prior to October 22, 1911" upon copies of field reports heretofore referred to, such time is hereby extended until such infractions can be eliminated in the course of maintenance or construction work"

"IT IS HEREBY FURTHER ORDERED, that before December 31, 1925, California Telephone & Light Company complete the reconstruction of its overhead electric lines to eliminate all infractions of Chapter 499, Statutes of 1911 as amended by Chapter 600, Statutes of 1915, listed as "Hazardous or technical since October 22, 1911" upon copies of field reports heretofore referred to and all hazardous conditions similarly listed, provided that during this period the single wire circuits referred to above be replaced by two or three wire circuits.

Dated at San Francisco, California, this 17<sup>th</sup> day of February, 1925.
