BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application of)
SOUTHERN PACIFIC COMPANY for an)
order authorizing abandonment of) Application No. 11251
Tejunga Station, County of Los)
Angeles, State of California.)

BY THE COMMISSION -

OPINION AND ORDER

ORIGINAL

Southern Pacific Company, a corporation, has petitioned the Railroad Commission for an order authorizing the discontinuance and abandonment of its station at Tejunga in Los Angeles County on its Los Angeles Division.

Applicant alleges that the non-agency station of Tejunga is located six-tenths (0.6) of a mile east of the non-agency station of Roscoe, and one and seven-tenths (1.7) miles west of the non-agency station of Wahoo; that the nearest agency stations on each side of Tejunga are Burbank, which is four and three-tenths (4.3) miles east, and San Fernando, which is five and five-tenths (5.5) miles west; that Tejunga station is located within the station limits or zone of Roscoe station; that there is no station building at Tejunga; and that the only facilities at said station consist of a spur track serving the Consumer's Rock and Gravel Company in the handling of carload freight.

Applicant further alleges that there is no passenger business handled at Tejunga Station; that no fares or rates are published in passenger tariffs for such station; that the abandonment of the station will not involve the abandonment of any facilities as all freight destined for receipt or delivery at the spur track at Tejunga will be billed to and from Roscoe station; and that the station name of Tejunga has frequently caused confusion in the handling of freight shipments destined

to Tujunga a community and postoffice in Los Angeles County not served by railroad lines.

We are of the opinion that this is a matter in which a public hearing is not necessary and that the application should be granted.

IT IS HEREBY ORDERED that applicant, Southern Pacific Company, a corporation, be and the same hereby is authorized to discontinue and abandon its non-agency station of Tujunga in Los Angeles County on its Los Angeles Division and to eliminate said station name from its station records.

Dated at San Francisco, California, this 24th day of June, 1925.
