BY THE COMMISSION -

FIRST SUPPLEMENTAL ORDER

WHEREAS, Motor Transit Company, a corporation, was authorized by the Railroad Commission in its Decision No. 13373, dated April 5, 1924, issued on Application No. 9917, to lease from Dillingham Transportation Company, a corporation, certain operating rights for an automobile stage line, which rights are more specifically described in Decision No. 13373, and

WHEREAS, said lease gives to said Motor Transit Company, a corporation, the right to purchase said operating rights on payment to said Dillingham Transportation Company, a corporation, in addition to the monthly payments provided in said lease, of the sum of Twenty Thousand Dollars (\$20,000) and

WHEREAS, said Motor Transit Company, a corporation, in a supplemental application filed in the above entitled proceedings has petitioned the Railroad Commission for an order approving the sale of said operating rights, setting forth in said supplemental application that the said option to purchase said operating rights has been exercised as shown by a bill of sale marked Exhibit "A", which exhibit is attached to the supplemental application herein and made a part thereof, and therefore,

Good cause appearing and the Commission being fully advised,  
IT IS HEREBY ORDERED that the above entitled application be  
and the same hereby is granted with the provision that the order  
herein contained shall not be construed as conveying authority  
to the Motor Transit Company, a corporation, to merge the operating  
rights named in Decision No.13,373 with the operating rights of  
Motor Transit Company, the matter of such a merger and consoli -  
dation of operating rights being before the Commission on  
Application No.10698.

Dated at San Francisco, California, this 16<sup>th</sup> day of  
December, 1925.
